Petzl America - Petzl Technical Institute

CROLL 25411 US1

hereby certifies that:

James Beaudry

has been assessed by the Petzl Technical Institute according to the Petzl assessment requirements for the following Petzl Solution Module and has successfully shown during assessment the ability in using the following Petzl Solution.

Name of Module: PPE - Competent Person

Module number : VAX014

Date of certificate: 12/01/2016

User number: USA101 16342

Certificate number: VAX014 USA101 16336 USA101 16342

The certificate of a Trainee's ability within the limitations of the Petzl certificate is valid as long as the Trainee maintains competence on the certified content. Not using or practicing attained skills on a regular basis may lead within a very short period to non competence and so a lack of validity of the certificate. Maintaining such skills is the responsibility of the Trainee and, where relevant, the employer. This certificate shall be returned to Petzl Technical Partner upon demand. By signing this Certificate the Trainee agrees with the terms and conditions on the back of this document.

USE OF CERTIFICATION: TERMS AND CONDITIONS

The Trainee shall:

1. Fulfill the defined use and techniques of the Petzl Solution Module.
2. Respect and follow all modifications in use of techniques of the Petzl Solution Module transmitted by Petzl and/or NPPTI and/or PTP related to this certified Petzl Solution Module.
3. Perform and bear the cost for complying with legal requirements in force in its country regarding its activities.
4. Adhere to the defined content, procedures and requirements for each Petzl Solution Module which he/she is claiming to use. Any deviations shall have written approval from Petzl.
5. Immediately inform its NPPTI of any serious incident/accident arising during activities.
6. Be sole responsible for all its actions and shall bear all costs related to complaints.
7. Be sole responsible on non compliance with Petzl defined procedure and requirement for any modules.
8. Maintain competence on the certified content, by using and practicing attained skills on a regular basis.
9. Be conscious that a Petzl solution module training is only part of an overall knowledge and does not replace the necessity of an overall training to be able to approach the vertical environment.
10. Follow appropriated refresher training and give the ability to its PTP to contact them for updates on Petzl Solutions.

The NPPTI and/or PTP may decide, at its own discretion, to withdraw the certification on a module certificate in case of non compliance with these terms and conditions with written notice. Upon receipt of the NPPTI's or PTP's notice, the Trainee shall immediately cease to refer his/ her activity to his/her certificate on the related Petzl solution module.
